State Pay Cuts Are Restored

State's Payroll Just Under \$100,000 A Month; New Workers Are Put On

With the start of the state's new fiscal year July 1, Virginia will begin paying approximately \$100,000 a month more for personal services.

The money will go toward restoring the 10 per cent salary cut suffered by all state employees and for paying an indeterminate number of new employees made possible by the last session of the general assembly.

The biggest single item in the employment of fifty new state police officers at a cost of more than \$5,000 monthly in salary alone. All state policemen are due to receive upward salary adjustments in excess of the normal ten per cent.

The state's payroll ordinarily runs in the neighborhood of \$11,000,000 a year, or just under \$1,000,000 a month.

Something worth remembering...

The past few years have brought to us amazing relief programs. Times were desperate and perhaps justified unusual measures.

But the Naked Truth is this:

No person or set of persons, not even Uncle Sam or F. D. R. can or will take care of you very long.

Nothing... nothing will take the place of a SAVINGS ACCOUNT.

Money in bank gives you a sense of security nothing else gives. Be thrifty. Be independent. Start now to save.
